

We'll Meet Again

We'll meet again, don't know where, don't know when

But I know we'll meet again some sunny day
Keep smiling through, just like you always do
'Till the blue skies drive the dark clouds far away
So will you please say hello to the folks that I know

Tell them I won't be long

They'll be happy to know that as you saw me go

I was singing this song

We'll meet again, don't know where, don't know when

But I know we'll meet again some sunny day.

Guide Me, O Thou Great Redeemer

Guide me, O thou great redeemer,

Pilgrim through this barren land;

I am weak, but thou art mighty,

Hold me with thy powerful hand;

Bread of heaven, bread of heaven

Feed me till I want no more;

Feed me till I want no more.

Open now the crystal fountain

Whence the healing stream doth flow;

Let the fire and cloudy pillar

Lead me all my journey through;

Strong deliverer, strong deliverer;

Be thou still my strength and shield;

Be thou still my strength and shield.

When I tread the verge of Jordan,

Bid my anxious fears subside;

Death of death, and hell's destruction

Land me safe on Canaan's side;

Songs of praises, songs of praises,

I will ever give to thee;

I will ever give to thee.
