If a player plays more than two (2) matches with the same team under this rule then the registration becomes a permanent registration and if the team then has more than eight (8) players registered then another member of the team must be deregistered. Matches played by any player under this rule do not count towards eligibility for Semi finals, Finals or trophies.

9. COURT HIRE

Teams are to be responsible for maintaining the hire of their court until such time as the whole competition has been finalised. In no circumstances can the location of the home court be changed without prior approval of the match and grading committee.

10. GRADING OF TEAMS

The competition shall be played in grades determined by the Match and Grading Committee, which reserves the right to finally decide in which grade or division any team or individual player shall compete.

11. MODE OF PLAY

A team shall consist of four ladies. A match shall consist of eight tiebreaker doubles sets with each pair playing the opposing pair twice.

The visiting team has the option of doubling up in the fifth set. This must be nominated before the match starts otherwise the home team shall automatically play the double up.

The home team must nominate its pair for the first set.

12. DECIDING THE WINNER OF A MATCH

Matches are to be decided by sets, but in the event of sets being equal, by games. Each match will be allocated twelve (12) points. Four (4) points to the winning team or two (2) points each for a drawn or unfinished match. In addition one (1) point is allocated to the winner of each completed set. Half a point is allocated to each team for any sets unfinished or not played.

13. COMMENCEMENT OF PLAY

Play in the competitions will commence at 10.00am sharp.

If a team does not have a pair on the court at the time when play should commence, the other team shall be awarded the first set 6-0, thirty (30) minutes after the starting time the second set shall be awarded 6-0. If the team is unable to proceed one (1) hour after the starting time the match shall be forfeited.

If a player(s) fails to turn up, or is injured during play and no substitute is available, as many sets as possible should be played and only those sets that the missing or injured player(s) would have been involved in should be forfeited.

14. CONTINUITY OF PLAY

Play shall be continuous throughout the match with an interval of not more than 20 minutes between the fourth and fifth sets no other interval is permissible, except in the case of inclement weather. Not more than 3 minutes, including a hit-up (there will be no hit-ups after the second set) shall elapse between the conclusion of any set and the commencement of the next set except during the intervals as above.

Teams will be allowed to claim a forfeit if the opposing players are not ready to commence play within 3 minutes of the completion of the previous set.

15. TERMINATION OF PLAY

Play shall cease at 4pm, unless both teams agree to cease play earlier due to inclement weather. If, for any reason, a match is unfinished, the reason *and time of cessation* must be stated on the result card.

16. WET MATCHES

The court owner (or caretaker) is the authority for determining whether or not a court is playable when inclement weather has created a doubt in this regard, but in any case, players cannot be compelled to play in the rain. It is the responsibility of each team to have its players at the court if it is playable. When a firm decision can be obtained within one hour of starting time, from the court owner (or caretaker) by

telephone or other means, this may relieve the teams of actual attendance at the court, but in cases of doubt, actual attendance is necessary.

During a competition round where 50% or more of the matches have not reached a result due to wet weather, then these unplayed or unfinished matches may be set down for play at the completion of the scheduled rounds. This will apply for all matches defined as wet under this rule. When play is abandoned for the day or when time is lost due to rain, please indicate on the card as follows:

'Play cased atam/pm due to rain' OR '.....hrs.....mins of time lost due to rain and/or wet court.'

Cards received without this notation will not be regarded as wet and, therefore, recorded accordingly.

All unfinished wet matches must recommence at the exact point that the wet weather stopped play. In the event that a match is unfinished due to wet weather and the round is not declared a wet round then the match will be declared a draw and points will be allocated as per rule 12. In the continuation of any unfinished wet match a substitute will be allowed for any player who started the match and is unavailable on the date of continuation. Such substitute must be an original registered member of the team or a late registration who has played at least two (2) previous matches for that team in the current competition. Permission is not required prior to the match being played, however the opposing team must be informed before the commencement of play and the substitution noted on the back of the result card.

This match does not count as a qualifying match for the substitute player.

17. POSTPONED MATCHES

At the discretion of the Competition Secretary postponed matches will only be allowed under the following circumstances

(a) In the event of the death or funeral of a registered member of a team involved in the match, or a death or funeral of someone in the immediate family of a registered member of a team involved in the match, occurring immediately preceding the match.

(b) In the event that the court owner or caretaker declares the court unplayable for any reason other than inclement weather.

NOTE: If the court is declared unplayable due to inclement weather then the WET MATCH rule no.16 applies.

(c) Other extenuating circumstances at the discretion of the Match and Grading Committee.

Application for postponement of a match under 17(a) and 17(c) must be made to the Competition Secretary prior to the match.

For the playing of any postponed match refer to rule 18

18. UNFINISHED, POSTPONED OR UNPLAYED MATCHES

Postponed *or* unplayed/unfinished wet matches may be set down for play on a date at the discretion of the Competition Secretary. In the case of any postponed *or wet match* not being set down for play by the Competition Secretary, then teams may forward a result card to the Competition Secretary as a declaration of such players who would have played this match and it will be counted as a qualifying match under Rule 23.

19. ORDER OF SERVICE

The home team serves first in the first and fifth sets. The visiting team serves first in the second and sixth sets. The receiver to choose ends in the first, second, fifth

and sixth sets. In the third, fourth, seventh and eighth sets, against the same pairs, service and end shall be regarded as continuous.

Play is to commence at the opposite end to where the tie-break game was completed. d.

20. DRAW FOR SEMI-FINALS

The competition shall be decided by the four leading teams in each grade or division playing semi-finals, the draw to be 1 v 4, 2 v 3. In the event of two or more teams being equal on points, positions to be decided first by differential of sets won versus sets lost, then by the differential of games won versus games lost. Where necessary, percentages will apply. In the event of a draw in semi-finals or finals the match will be replayed.

21. DECIDING HOME AND AWAY TEAMS IN SEMI-FINALS AND FINALS

Semi-finals and Finals as directed by the Match and Grading Committee shall consist of 8 sets. In Semi-Finals and Finals the teams will toss with the winner having the choice of being the home or away team. The order of service will then be as set out in rule 19.

Semi-Finals and Finals are to be played on the court of the first-mentioned team unless this court has been allocated to another grade, which will then be at the discretion of the Competition Secretary. In the event of a draw in semi-finals/finals, the match will be replayed on the court of the opposing team.

The association shall have the right to use the courts of any teams entered in the competition. A penalty may be imposed upon the teams failing to provide a court when called upon and all members of the team will be considered unfinancial until the matter is resolved. Posting of the DRAW on the I.S.L.T.A website will be considered sufficient notice to all teams.

23. ELIGIBILITY TO PLAY IN SEMI-FINALS AND FINALS

A player is not eligible to play with a team in semi-finals or finals unless she has played in at least four (4) matches during the competition with such team. 24. SUBSTITUTION OF PLAYERS

In the event of a player becoming incapacitated through an injury incurred during the match being played, a substitute who must not have taken part in the match previously, and who is a registered member of the team, will be allowed to continue the match. During the hour, match to continue with sets being played out of order if necessary. Notice of such substitution to be noted

on the back of the result card. This rule also applies to semi-finals and finals.

25. UNFINISHED SEMI-FINALS OR FINALS
