

Saturday Afternoon Mixed 2024-2025 Summer Competition.

Hi teams,

The Division 1 final reached a result on Saturday, bringing our Summer Competition to an end. The results of both the Division 1 and 2 finals are below – congratulations to Wandella 1 and The Pines 1!

After speaking with all team secretaries, I have decided that it would be pointless to try and start the Winter Competition on Saturday 26 April, as too many teams will need to find substitutes. **This means that the competition will commence on Saturday 3 May.** The competition fixture will be published closer to that date.

Please note that with the competition start date now falling after the upcoming AGM, any motions that are successful WILL be implemented for the Winter Competition. The four motions for the Saturday Competition have been summarised under the “AGM” link on the homepage of this website. I have also posted them in full under the “AGM – MOTIONS” tile on our Saturday page (please note that the document is five pages long). I strongly urge you to read the motions as posted on our page to ensure that you are familiar with them prior to the AGM. I also look forward to seeing as many of you as possible at the AGM (7:30pm on Monday 28 April, at Rockdale Tennis Club) to have your say in the future of our competition.

Regards, Gabby
