

Thursday Ladies Summer 2022

Ladies,

We will play Full (or mostly Full wet rounds) to enable as many players as possible to qualify for semis, currently it looks like we need all hands on deck.

Completed matches in this round will get their points when the round is finalised.

With sadness I was informed that a former Thursday player Carmen Wilson has passed away. Although she hadn't been on the court in a few years Carmen will be missed by all her tennis friends.
