TUESDAY 2023-24 SUMMER COMPETITION

Great start to our new competition! Always good to get that first match over and then settle down to the serious weeks of competition! Unfortunately the result sheets are now being sent in a format that is not easy to read, in fact some cannot be read at all!!!! Such a time waster that if formats don't improve we will have to go back to the old system (hand deliver the original). We are currently investigating the situation so I'm sure our "IT" people will come up with a suggestion for you all to follow!

Watch this space!!!!

Actually our Webmaster has sent some instructions (how quick was that)!!!!

I will forward the email to you all but meanwhile it is now available on our Tuesday Web site under the heading "Scanning the Result Cards"! Hope this information is helpful and thank you Webmaster!!!! Rae
