## **TUESDAY 2022 SUMMER COMPETITION**

Well, we are certainly receiving "April Showers" in February....the weather so unpredictable, however much cooler than last week!

As more than 50% of matches were completed, all 'wet' recorded matches will share points.

Should your match be recorded 'Wet' please send in a result card with the names of your players who are to be credited with the match......this applies to both the Home and Away teams. Failure to comply with this request will result in your players not being credited with the match!

Hope this all makes sense!

Cheers, Rae
